- f) For the purpose of establishing whether or not the terms of any notice served under this Article shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.

8 Allotment of shares

- a) Subject to the provisions of the 2014 Act relating to authority, pre-emption or otherwise in regard to the issue of new shares and of any resolution of the Company in general meeting passed pursuant thereto, all unissued shares (including treasury shares) for the time being in the capital of the Company shall be at the disposal of the Directors and (subject to the provisions of the 2014 Act) they may allot, grant options over or otherwise dispose of them to such persons on such terms and conditions and at such times as they may consider to be in the best interests of the Company and its shareholders, but so that no share shall be issued at a discount and so that,, in the case of shares offered to the public for subscription, the amount payable on application on each share shall not be less than one-quarter of the nominal amount of the share and the whole of any premium thereon.
- b) Without prejudice to the generality of the powers conferred on the Directors by the other paragraphs of this Article, the Directors may grant from time to time options to subscribe for the unallotted shares in the capital of the Company to persons in the service or employment of the Company or any subsidiary or associated company of the Company (including Directors holding executive offices) on such terms and subject to such conditions as may be approved from time to time by the Directors or by any committee thereof appointed by the Directors for the purpose of such approval.
- c) The Company may issue warrants to subscribe (by whatever name they are called) to any person to whom the Company has granted the right to subscribe for shares in the Company (other than under a share option scheme for employees) certifying the right of the registered holder thereof to subscribe for shares in the Company upon such terms and conditions as the right may have been granted.

9 Payment of commission

The Company may exercise the powers of paying commissions conferred by the 2014 Act. Subject to the provisions of the 2014 Act, any such commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one way and partly in the other. On any issue of shares the Company may also pay such brokerage as may be lawful.

10 Payment by instalments

If by the conditions of allotment of any share the whole or part of the amount or issue price thereof shall be payable by instalments, every such instalment when due shall be paid to the Company by the person who for the time being shall be the Holder of the share.

PART III-SHARE CERTIFICATES

11 Issue of certificates

Every member (except a stock exchange nominee in respect of whom the Company is not by law required to complete and have ready for delivery a certificate) shall be entitled without payment to receive within two months after allotment or lodgement of a transfer to him of the shares in respect of which he is so registered (or within such other period as the conditions of issue shall provide) one certificate for all the shares of each class held by him or several certificates each for one or more of his shares upon payment for every certificate after the first of such reasonable sum as the Directors may determine provided that the Company shall not be bound to issue more than one certificate for shares held jointly by several persons and delivery of a certificate to one joint Holder shall be a sufficient delivery to all of them. The Company shall not be bound to register more than four persons as joint Holders of any share (except in the case of executors or trustees of a deceased member). Every certificate shall be sealed with the Seal and shall specify the number, class and distinguishing numbers (if any) of the shares to which it relates and the amount or respective amounts paid up thereon.

12 Balance and exchange certificate

- a) Where some only of the shares comprised in a share certificate are transferred the old certificate shall be cancelled and a new certificate for the balance of such shares shall be issued in lieu without charge.
- b) Any two or more certificates representing shares of any one class held by any member at his request may be cancelled and a single new certificate for such shares issued in lieu, without charge unless the Directors otherwise determine. If any member shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may comply, if they think fit, with such request.

13 Replacement of certificates

If a share certificate is defaced, worn out, lost, stolen or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity and payment of any exceptional expenses incurred by the Company in investigating evidence or in relation to any indemnity as the Directors may determine, but otherwise free of charge and (in the case of defacement or wearing out) on delivery up of the old certificate.

PART IV- LIEN ON SHARES

14 Extent of lien

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether immediately payable or not) payable at a fixed time or called in respect of that share. The Directors, at any time, may declare any share to be wholly or in

part exempt from the provisions of this Article. The Company's lien on a share shall extend to all moneys payable in respect of it.

15 Power of sale

The Company may sell in such manner as the Directors determine any share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within fourteen Clear Days after notice demanding payment, and stating that if the notice is not complied with the shares may be sold, has been given to the Holder of the share or to the person entitled to it in consequence of the death or bankruptcy of the Holder.

16 Power to effect transfer

To give effect to a sale the Directors may authorise some person to execute an instrument of transfer of the shares sold to, or in accordance with the directions of, the purchaser. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale and after the name of the transferee has been entered in the Register the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

17 Proceeds of sale

The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable and any residue (upon surrender to the Company for cancellation of the certificate for the shares sold and subject to a like lien for any moneys not immediately payable as existed upon the shares before the sale) shall be paid to the person entitled to the shares at the date of the sale.

PART V- CALLS ON SHARES AND FORFEITURE

18 Making of calls

Subject to the terms of allotment, the Directors may make calls upon the members in respect of any moneys unpaid on their shares and each member (subject to receiving at least fourteen Clear Days' notice specifying when and where payment is to be made) shall pay to the Company as required by the notice the amount called on his shares. A call may be required to be paid by instalments. A call may be revoked before receipt by the Company of a sum due thereunder in whole or in part and payment of a call may be postponed in whole or in part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.

19 Time of call

A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

20 Liability of joint Holders

The joint Holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

21 Interest on call

If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the 2014 Act) but the Directors may waive payment of the interest wholly or in part.

22 Instalments treated as calls

An amount payable in respect of a share on allotment or at any fixed date, whether in respect of nominal value or as an instalment of a call, shall be deemed to be a call and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call.

23 Power to differentiate

Subject to the terms of allotment, the Directors may make arrangements on the issue of shares for a difference between the Holders in the amounts and times of payment of calls on their shares.

24 Interest on moneys advanced

The Directors, if they think fit, may receive from any member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may pay (until the same would become payable, but for such advance) interest at such rate, not exceeding (unless the Company in general meeting otherwise directs) fifteen per cent, per annum, as may be agreed upon between the Directors and the member paying such sum in advance.

25 Notice requiring payment

- a) If a member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors, at any time thereafter during such times as any part of the call or instalment remains unpaid, may serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued.
- b) The notice shall name a further day (not earlier than the expiration of fourteen Clear Days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.

- c) If the requirements of any such notice as aforesaid are not complied with then, at any time thereafter before the payment required by the notice has been made, any shares in respect of which the notice has been given may be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other moneys payable in respect of the forfeited shares and not paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
- d) On the trial or hearing of any action for the recovery of any money due for any call it shall be sufficient to prove that the name of the member sued is entered in the Register as the Holder, or one of the Holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the member sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

26 Power of disposal

A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal such a share is to be transferred to any person, the Directors may authorise some person to execute an instrument of transfer of the share to that person. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and thereupon he shall be registered as the Holder of the share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

27 Effect of forfeiture

A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but nevertheless shall remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.

28 Statutory declaration

A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited on the date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

29 Non-payment of sums due on share issues

The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

PART VI- CONVERSION OF SHARES INTO STOCK

30 Conversion of shares into stock

The Company by ordinary resolution may convert any paid up shares into stock and reconvert any stock into paid up shares of any denomination.

31 Transfer of stock

The Holders of stock may transfer the same or any part thereof, in the same manner, and subject to the same regulations, as and subject to which the shares from which the stock arose might have been transferred before conversion, or as near thereto as circumstances admit; and the Directors may fix from time to time the minimum amount of stock transferable but so that such minimum shall not exceed the nominal amount of each share from which the stock arose.

32 Rights of stockholders

- a) The Holders of stock shall have, according to the amount of stock held by them, the same rights, privileges and advantages in relation to dividends, voting at meetings of the Company and other matters as if they held the shares from which the stock arose, but no such right, privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which, if existing in shares, would not have conferred that right, privilege or advantage.
- b) Such of these Articles as are applicable to paid up shares shall apply to stock, and for this purpose the word "share" therein shall include "stock" and the words "shareholder" and "member" therein shall include "stockholder".

PART VII- TRANSFER OF SHARES

33 Form of instrument of transfer

Subject to such of the restrictions of these Articles and to such of the conditions of issue as may be applicable, the shares of any member may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.

34 Execution of instrument of transfer

- a) The instrument of transfer of any share shall be executed by or on behalf of the transferor and, in cases where the share is not fully paid, by or on behalf of the

transferee. The transferor shall be deemed to remain the Holder of the share until the name of the transferee is entered in the Register in respect thereof.

- b) Notwithstanding the provisions of these Articles, title to any shares in the Company may also be evidenced and transferred without a written instrument in accordance with section 1086 of the 2014 Act or under any regulations having similar effect. The Director shall have power to implement any arrangements they think fit for such evidencing and transfer which accord with such regulations and in particular shall, where appropriate, be entitled to disapply all or part of the provisions in these articles with respect to the requirement for written instruments of transfer and share certificates, in order to give effect to such regulations.

35 Refusal to register transfers

- a) The Directors in their absolute discretion and without assigning any reason therefor may decline to register any transfer of a share which is not fully paid, but this shall not apply to a transfer of such a share resulting from a sale of the share through a stock exchange on which the share is listed.
- b) The Directors may decline to recognise any instrument of transfer unless:-
 - (i) the instrument of transfer is accompanied by the certificate of the shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer (save where the transferor is a stock exchange nominee);
 - (ii) the instrument of transfer is in respect of one class of share only;
 - (iii) the instrument of transfer is in favour of not more than four transferees; and
 - (iv) it is lodged at the Office or at such other place as the Directors may appoint.

36 Procedure on refusal

If the Directors refuse to register a transfer then, within two months after the date on which the transfer was lodged with the Company, they shall send to the transferee notice of the refusal.

37 Closing of transfer books

The registration of transfers of shares or of transfers of any class of shares may be suspended at such times and for such periods (not exceeding thirty days in each year) as the Directors may determine.

38 Absence of registration fees

No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

39 Retention of transfer instruments

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

40 Renunciation of allotment

Nothing in these Articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person.

PART VIII- TRANSMISSION OF SHARES

41 Death of a member

If a member dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased member from any liability in respect of any share which had been jointly held by him.

42 Transmission on death or bankruptcy

A person becoming entitled to a share in consequence of the death or bankruptcy of a member may elect (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) either to become the Holder of the share or to have some person nominated by him registered as the transferee. If he elects to become the Holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the member and the death or bankruptcy of the member had not occurred.

43 Rights before registration

A person becoming entitled to a share in consequence of the death or bankruptcy of a member (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the Holder of the share, except that, before being registered as the Holder of the share, he shall not be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of shares in the Company. The Directors, at any time, may give notice requiring any such person to elect either to be registered himself or to transfer the share and, if the notice is not complied with within ninety days, the Directors thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

PART IX- ALTERATION OF SHARE CAPITAL

44 Increase of capital

- a) The Company from time to time by ordinary resolution may increase the share capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.
- b) Subject to the provisions of the 2014 Act, the new shares shall be issued to such persons, upon such terms and conditions and with such rights and privileges annexed thereto as the general meeting resolving upon the creation thereof shall direct and, if no direction be given, as the Directors shall determine and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of the assets of the Company and with a special, or without any, right of voting.
- c) Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered part of the pre-existing ordinary capital and shall be subject to the provisions herein contained with reference to calls and instalments, transfer and transmission, forfeiture, lien and otherwise.

45 Consolidation, sub-division and cancellation of capital

The Company, by ordinary resolution, may:-

- a) consolidate and divide all or any of its share capital into shares of larger amount;
- b) subject to the provisions of the 2014 Act, subdivide its shares, or any of them, into shares of smaller amount, so however that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived (and so that the resolution whereby any share is sub-divided may determine that, as between the Holders of the shares resulting from such sub-division, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares); or
- c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled.

46 Fractions on consolidation

Subject to the provisions of these Articles, whenever as a result of a consolidation of shares any members would become entitled to fractions of a share, the Directors may sell, on behalf of those members, the shares representing the fractions for the best price reasonably obtainable to any person and distribute the proceeds of sale in due proportion among those members, and the Directors may authorise some person to execute an instrument of transfer of the shares to, or in accordance with the directions of, the purchaser. The transferee shall

not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

47 Purchase of own shares

Subject to and in accordance with the provisions of the 2014 Act and without prejudice to any relevant special rights attached to any class of shares, the Company may purchase any of its own shares of any class (including redeemable shares) at any price (whether at par or above or below par), and so that any shares to be so purchased may be selected in any manner-whatsoever and cancelled or held by the Company as treasury shares. The Company shall not make a purchase of shares in the Company unless the purchase has first been authorised by a special resolution of the Company and by a special resolution passed at a separate general meeting of the holders of each class of shares or a resolution passed by a majority representing three-fourths of the voters at a separate general meeting of the holders of the Company's loan stock (if any), which, at the date on which the purchase is authorised by the Company in general meeting, entitle them, either immediately or at any time subsequently, to convert all or any of the shares or loan stock of that class held by them into equity share capital of the Company.

48 Reduction of capital

The Company, by special resolution, may reduce its share capital, any capital redemption reserve fund or any share premium account in any manner and with, and subject to, any incident authorised, and consent required, by law.

PART X- GENERAL MEETINGS

49 Annual general meetings

The Company shall hold in each year a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it. Not more than fifteen months shall elapse between the date of one annual general meeting and that of the next.

50 Extraordinary general meetings

All general meetings other than annual general meetings shall be called extraordinary general meetings.

51 Convening general meetings

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the 2014 Act. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or any two members of the Company may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

52 Class meetings

All provisions of these articles relating to general meetings of the Company shall apply, mutatis mutandis, to every separate general meeting of the Holders of any class of shares in the capital of the Company, except that:-

- a) the necessary quorum shall be one or more persons holding or representing by proxy at least one-third in nominal value of the issued shares of the class or, at any adjourned meeting of such Holders, one Holder present in person or by proxy, whatever the amount of his holding, shall be deemed to constitute a meeting; and
- b) any Holder of-shares of the class present in person or by proxy may demand a poll; and
- c) on a poll, every Holder of shares of the class shall have one vote in respect of every share of the class held by him.

53 Notice of general meetings

- a) Subject to the provisions of the 2014 Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty- one Clear Days' notice and all other extraordinary general meetings shall be called by at least fourteen Clear Days' notice.
- b) Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a member of the Company. It shall also give particulars of any Directors who are to retire by rotation or otherwise at the meeting and of any persons who are recommended by the Directors for appointment or re-appointment as Directors at the meeting, or in respect of whom notice has been duly given to the Company of the intention to propose them for appointment or re-appointment as Directors at the meeting. Subject to any restrictions imposed on any shares, the notice shall be given to all the members and to the Directors and Auditors.
- c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- d) Where, by any provision contained in the 2014 Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the 2014 Act permits) before the meeting at which it is moved, and the Company shall give to the members notice of any such resolution as required by and in accordance with the provisions of the 2014 Act.

PART XI- PROCEEDINGS AT GENERAL MEETINGS

54 Quorum for general meetings

- a) No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, twenty-five persons entitled to vote upon the business to be transacted, each being a member or a proxy for a member or a duly authorised representative of a corporate member, shall be a quorum.
- b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, two persons entitled to be counted in a quorum present at the meeting shall be a quorum.

55 Special Business

All business shall be deemed special that is transacted at an extraordinary general meeting. All business that is transacted at an annual general meeting shall also be deemed special, with the exception of declaring a dividend, the consideration of the accounts, balance sheets and reports of the Directors and Auditors, the election of Directors in the place of those retiring (whether by rotation or otherwise), the fixing of the remuneration of the Directors, the re-appointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

56 Chairman of general meetings

- a) The chairman of the board of Directors or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.
- b) If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present and entitled to vote shall choose one of the members personally present to be chairman of the meeting.

57 Directors' and Auditors' right to attend general meetings

A Director shall be entitled, notwithstanding that he is not a member, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

58 Adjournment of general meetings

The Chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

59 Determination of resolutions

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the Chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

60 Entitlement to demand poll

Subject to the provisions of the 2014 Act, a poll may be demanded: -

- (i) by the chairman of the meeting;
- (ii) by at least three members present (in person or by proxy) having the right to vote at the meeting;
- (iii) by any member or members present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
- (iv) by a member or members present (in person or by proxy) holding shares in the Company conferring the right to vote at the meeting being shares on which an

aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

61 Taking of a poll

- a) Save as provided in paragraph (b) of this Article, a poll shall be taken in such manner as the chairman directs and he may appoint scrutineers (who need not be members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- b) A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

62 Votes of members

Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of shares, on a show of hands every member present in person and every proxy shall have one vote, so, however, that no individual shall have more than one vote, and on a poll every member shall have one vote for every share carrying voting rights of which he is the Holder.

63 Chairmans casting vote

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

64 Voting by joint Holders

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders, and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

65 Voting by incapacitated Holders

A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy, not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

66 Default in payment of calls

Unless the Directors otherwise determine, no member shall be entitled to vote at any general meeting or any separate meeting of the Holders of any class of shares in the Company, either in person or by proxy, or to exercise any privilege as a member in respect of any share held by him unless all moneys then payable by him in respect of that share have been paid.

The Company may exercise the powers conferred by the 2014 Act with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

106 Signature of sealed instruments

Every instrument to which the Seal shall be affixed shall be signed by a Director and by the Secretary or by a second Director or by some other person appointed by the Directors for the purpose save that as regards any certificates for shares or debentures or other securities of the Company the Directors may determine by resolution that such signatures or either of

them shall be dispensed with, or be printed thereon or affixed thereto by some method or system of mechanical signature provided that in any such case the certificate to be sealed shall have been approved for sealing by the Secretary or by the registrar of the Company or by the Auditors or by some other person appointed by the Directors for this purpose in writing (and, for the avoidance of doubt, it is hereby declared that it shall be sufficient for approval to be given and/or evidenced either in such manner (if any) as may be approved by or on behalf of the Directors or by having certificates initialled before sealing or by having certificates presented for sealing accompanied by a list thereof which has been initialled).

PART XX-DIVIDENDS AND RESERVES

107 Declaration of dividends

Subject to the provisions of the 2014 Act, the Company by ordinary resolution may declare dividends in accordance with the respective rights of the members, but no dividend shall exceed the amount recommended by the Directors.

108 Interim and fixed dividends

Subject to the provisions of the 2014 Act, the Directors may declare and pay interim dividends if it appears to them that they are justified by the profits of the Company available for distribution. If the share capital is divided into different classes, the Directors may declare and pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but subject always to any restrictions for the time being in force (whether under these Articles, under the terms of issue of any shares or under any agreement to which the Company is a party, or otherwise) relating to the application, or the priority of application, of the Company's profits available for distribution or to the declaration or as the case may be the payment of dividends by the Company. Subject as aforesaid, the Directors may also pay at intervals settled by them any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment. Provided the Directors act in good faith they shall not incur any liability to the Holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

109 Payment of dividends

- a) Except as otherwise provided by the rights attached to shares, all dividends shall be declared and paid according to the amounts paid up on the shares on which the dividend is paid. Subject as aforesaid, all dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date, such share shall rank for dividend accordingly. For the purposes of this Article, no amount paid on a share in advance of calls shall be treated as paid on a share.

- b) If several persons are registered as joint Holders of any share, any one of them may give effectual receipts for any dividend or other moneys payable on or in respect of the share.

110 Deduction from dividends

The Directors may deduct from any dividend or other moneys payable to any member in respect of a share any moneys presently payable by him to the Company in respect of that share.

111 Dividends in specie

A general meeting declaring a dividend may direct, upon the recommendation of the Directors, that it shall be satisfied wholly or partly by the distribution of assets (and, in particular, of paid up shares, debentures or debenture stock of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises in regard to the distribution, the Directors may settle the same as they think expedient and in particular may issue fractional certificates and fix the value for distribution of such specific assets or any part thereof in order to adjust the rights of all the parties and may determine that cash payments shall be made to any members upon the footing of the value so fixed and may vest any such specific assets in trustees.

112 Payment of dividends by post

Any dividend or other moneys payable in respect of any share may be paid by cheque or warrant sent by post, at the risk of the person or persons entitled thereto, to the registered address of the Holder or, where there are joint Holders, to the registered address of that one of the joint Holders who is first named on the Register or to such person and to such address as the Holder or Joint Holders may in writing direct.

Every such cheque or warrant shall be made payable to the order of the person to whom it is sent and payment of the cheque or warrant shall be a good discharge to the Company. Any joint Holder or other person jointly entitled to a share as aforesaid may give receipts for any dividend or other moneys payable in respect of the share. Any such dividend or other distribution may also be paid by any other method (including payment in a currency other than Irish pounds, electronic funds transfer, direct debit and bank transfer) which the Directors consider appropriate and any member who elects for such method of payment shall be deemed to have accepted all of the risks inherent therein. The debiting of the Company's account in respect of the relevant amount shall be evidence of good discharge of the Company's obligations in respect of any payment made by any such methods.

113 Dividends not to bear interest

No dividend or other moneys payable in respect of a share shall bear interest against the Company unless otherwise provided by the rights attached to the share.

114 Payment to Holders on a particular date

Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Directors, may specify that the same may be payable to the persons registered as the Holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of any such shares in respect of such dividend. The provisions of this Article shall apply, mutatis mutandis, to capitalisations to be effected in pursuance of these Articles. Any dividend, interest or other sum payable which remains unclaimed for one year after having been declared may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed.

115 Unclaimed dividends

If the Directors so resolve, any dividend which has remained unclaimed for twelve years from the date of its declaration shall be forfeited and cease to remain owing by the Company. The payment by the Directors of any unclaimed dividend or other moneys payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

116 Reserves

Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in such investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

PART XXI- ACCOUNTS

117 Accounts

- a) The Directors shall cause to be kept proper books of account, whether in the form of documents or otherwise, that:-
 - (i) correctly record and explain the transactions of the Company;
 - (ii) will at any time enable the financial position of the Company to be determined with reasonable accuracy;

- (iii) will enable the Directors to ensure that any balance sheet, profit and loss account or income and expenditure account of the Company complies with the requirements of the 2014 Act; and
- (iv) will enable the accounts of the Company to be readily and properly audited.

The books of account shall be kept on a continuous and consistent basis and entries therein shall be made in a timely manner and be consistent from year to year. Proper books of account shall not be deemed to be kept if there are not kept such books of account as are necessary to give a true and fair view of the state of the Company's affairs and to explain its transactions.

- b) The books of account shall be kept at the Office or, subject to the provisions of the 2014 Act, at such other place as the Directors think fit and shall be open at all reasonable times to the inspection of the Directors.
- c) The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of members, not being Directors. No member (not being a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by the 2014 Act or authorised by the Directors or by the Company in general meeting.
- d) In accordance with the provisions of the 2014 Act, the Directors shall cause to be prepared and to be laid before the annual general meeting of the Company from time to time such profit and loss accounts, balance sheets, group accounts and reports as are required by the 2014 Act to be prepared and laid before such meeting.
- e) A copy of every balance sheet (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the Directors' report and Auditors' report shall be sent, not less than twenty-one Clear Days before the date of the annual general meeting, to every person entitled under the provisions of the 2014 Act to receive them; and the required number of copies of these documents shall be forwarded at the same time to the appropriate section of The Irish Stock Exchange.
- f) Auditors shall be appointed and their duties regulated in accordance with the 2014 Act.

PART XXII-CAPITALISATION OF PROFITS OR RESERVES

118 Scrip dividends

The Directors may from time to time at their discretion, subject to the provisions of the 2014 Act and, in particular, to their being authorised pursuant to section 1021 of the 2014 Act to allot the relevant shares, offer to the holders of Ordinary Shares the right to elect to receive in lieu of any dividend or proposed dividend or part thereof an allotment of additional Ordinary Shares credited as fully paid. In any such case the following provisions shall apply.

- a) The basis of allotment shall be determined by the Directors so that, as nearly as may be considered convenient in the Directors' absolute discretion, the value calculated by reference to the average quotation of the additional Ordinary Shares (excluding any fractional entitlement) to be allotted in lieu of any amount of dividend shall equal such amount. For such purpose the "average quotation" of an Ordinary Share shall be the arithmetic mean of the middle market quotations for Ordinary Shares as derived from the Irish Stock Exchange Daily Official List, on each of the first five business days on which Ordinary Shares are quoted "ex" the relevant dividend.
- b) The Directors shall give notice in writing to the holders of Ordinary Shares of the right of election offered to them and shall send with or following such notice forms of election and specify the procedure to be followed and the place at which, and the latest date and time by which, duly completed forms of election must be lodged in order to be effective. The Directors may also give holders in the same or other forms the opportunity to elect in advance to receive new Ordinary Shares instead of dividends in respect of future dividends not yet declared (and, therefore, in respect of which the basis of allotment shall not yet have been determined).
- c) The dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on Ordinary Shares in respect of which the right of election as aforesaid has been duly exercised (the "Subject Ordinary Shares") and in lieu thereof additional Ordinary Shares (but not any fraction of a share) shall be allotted to the holders of the Subject Ordinary Shares on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise, out of such of the sums standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account) or to the credit of the profit and loss account as the Directors may determine, a sum equal to the aggregate nominal amount of additional Ordinary Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of unissued Ordinary Shares for allotment and distribution to and amongst the holders of the Subject ordinary Shares on such basis.
- d) The additional Ordinary Shares so allotted shall rank pari passu in all respects with the fully-paid Ordinary Shares then in issue save only as regards participation in the relevant dividend or share election in lieu.
- e) The Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation with absolute discretion to the Directors to make such provisions as they think fit for the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are disregarded and the benefit of fractional entitlements accrues to the Company rather than to the holders concerned). The Directors may authorise any person to enter into an agreement with the Company on behalf of all the holders interested providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

- f) The Directors may on any occasion determine that rights of election shall not be offered to any holders of Ordinary Shares who are citizens or residents of any territory where the making or publication of an offer of rights of election or any exercise of rights of election or any purported acceptance of the same would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

119 Capitalisation of distributable profits and reserves

Without prejudice to any powers conferred on the Directors by these Articles, the Company in general meeting may resolve, upon the recommendation of the Directors, that any sum for the time being standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account) or to the credit of the profit and loss account be capitalised and applied on behalf of the members who would have been entitled to receive that sum if it had been distributed by way of dividend and in the same proportions either in or towards paying up amounts for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to the sum capitalised (such shares or debentures to be allotted and distributed credited as fully paid up to and amongst such Holders in the proportions aforesaid) or partly in one way and partly in another, so, however, that the only purposes for which sums standing to the credit of the capital redemption reserve fund or the share premium account shall be applied shall be those permitted by the 2014 Act.

120 Capitalisation of non-distributable profits and reserves

Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those members of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

121 Implementation of capitalisation issues

Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of ' fully paid shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for the case of shares or debentures becoming distributable in fractions (and, in particular, without prejudice to the generality of the foregoing, either to disregard such fractions or to sell the shares or debentures represented by such fractions and distribute the net proceeds of such sale to and for the benefit of the Company or to and for the benefit of the members otherwise entitled to such fractions in due proportions) and to authorise any person to enter on behalf of all the members concerned into an agreement with the Company providing for

the allotment to them respectively, credited as fully paid up, of any further shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing shares and any agreement made under such authority shall be binding on all such members.

PART XXIII- NOTICES

122 Notices in writing

Any notice to be given, served or delivered pursuant to these Articles shall be in writing.

123 Service of notices

- a) A notice or document (including a share certificate) to be given, served or delivered in pursuance of these articles may be given to, served on or delivered to any member of the Company:-
 - (i) by handing it to him or his authorised agent;
 - (ii) by leaving it at his registered address; or
 - (iii) by sending it by post in a pre-paid cover addressed to him at his registered address.
- b) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a) (i) or (ii) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the time the same was handed to the member or his authorised agent, or left at his registered address (as the case maybe).
- c) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a) (iii) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of twenty-four hours after the cover containing it was posted. In proving service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.
- d) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy, examiner or liquidator of a member shall be bound by a notice given as aforesaid if sent to the last registered address of such member, notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such member.
- e) Without prejudice to the provisions of sub-paragraphs (a) (i) and (ii) of this Article, if at any time by reason of the suspension or curtailment of postal services within the State the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a notice advertised on the same day in at least one leading national daily newspaper published in the State and such notice shall be deemed to have been duly served on all members entitled thereto

at noon on the day on which the said advertisement or advertisements shall appear. In any such case the Company shall send confirmatory copies of the notice through the post to those members whose registered addresses are outside the State (if or to the extent that in the opinion of the Directors it is practical so to do) or are in areas of the State unaffected by such suspension or curtailment of postal services and if at least ninety-six hours prior to the time appointed for the holding of the meeting the posting of notices to members in the State, or any part thereof which was previously affected, has become practical in the opinion of the Directors, the Directors shall send forthwith confirmatory copies of the notice by post to such members. The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.

- f) Notwithstanding anything contained in this Article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.

124 Service on joint Holders

A notice may be given by the Company to the joint Holders of a share by giving the notice to the joint Holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint Holders.

125 Service on transfer or transmission of shares

- a) Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register in respect of the share, has been duly given to a person from whom he derives his title provided that the provisions of this paragraph shall not apply to any notice served under Article 67 unless, under the provisions of Article 67(b), it is a notice which continues to have effect notwithstanding the registration of a transfer of the shares to which it relates.
- b) Without prejudice to the provisions of these Articles allowing a meeting to be convened by newspaper advertisement a notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

126 Signature to notices

The signature to any notice to be given by the Company may be written or printed.

127 Deemed receipt of notices

A member present, either in person or by proxy, at any meeting of the Company or the Holders of any class of shares in the Company shall be deemed to have received notice of the meeting and, where requisite, of the purposes for which it was called.

PART XXIV- WINDING UP

128 Distribution on winding up

If the Company shall be wound up and the assets available for distribution among the members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares held by them respectively. And if in a winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Provided that this Article shall not affect the rights of the Holders of shares issued upon special terms and conditions.

129 Distribution in specie

If the Company is wound up, the liquidator, with the sanction of a special resolution of the Company and any other sanction required by the 2014 Act, may divide among the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

PART XXV- MISCELLANEOUS

130 Minutes of meetings

The Directors shall cause minutes to be made:-

- a) of all appointments of officers and committees made by the Directors and of their salary or remuneration,
- b) of the names of Directors present at every meeting of the Directors and of the names of any Directors and of all other members thereof present at every meeting of any committee appointed by the Directors and

- c) of all resolutions and proceedings of all meetings of the Company and of the Holders of any class of shares in the Company and of the Directors and of committees appointed by the Directors.

Any such minute as aforesaid, if purporting to be signed by the Chairman of the meeting at which the proceedings were had, or by the Chairman of the next succeeding meeting, shall be receivable as prima facie evidence of the matter stated in such minute without any further proof.

131 Inspection and secrecy

The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of members, not being Directors, and no member (not being a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by the 2014 Act or authorised by the Directors or by the Company in general meeting. No member shall be entitled to require discovery of or any information respecting any detail of the Company's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Directors it would be inexpedient in the interests of the members of the Company to communicate to the public.

132 Destruction of records

The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof, all notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of one year from the date of such cancellation or cessation. It shall be presumed conclusively in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:-

- a) the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and

- c) references herein to the destruction of any document include references to the disposal thereof in any manner.

133 Untraced shareholders

- a) The Company shall be entitled to sell at the best price reasonably obtainable any share of a Holder or any share to which a person is entitled by transmission if and provided that:-
 - (i) for a period of twelve years no cheque or warrant sent by the Company through the post in a pre-paid letter addressed to the Holder or to the person entitled by transmission to the share at his address on the Register or other the last known address given by the Holder or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the Holder or the person entitled by transmission (provided that during such twelve year period at least three dividends shall have become payable in respect of such share);
 - (ii) at the expiration of the said period of twelve years by advertisement in a national daily newspaper published in the State and in a newspaper circulating in the area in which the address referred to in sub-paragraph (a) (i) of this Article is located the Company has given notice of its intention to sell such share;
 - (iii) during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale the Company has not received any communication from the Holder or person entitled by transmission; and
 - (iv) the Company has first given notice in writing to the appropriate section of The Irish Stock Exchange of its intention to sell such shares.
- b) To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the Holder or the person entitled by the transmission to such share. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
- c) The Company shall account to the Holder or other person entitled to such share for the net proceeds of such sale by carrying all moneys in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such Holder or other person. Moneys carried to such separate account may be either employed in the business of the Company or invested in such investments as the Directors may think fit, from time to time.

134 Indemnity

Subject to the provisions of and so far as may be permitted by the 2014 Act, every Director, Managing Director, Auditor, Secretary or other officer of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.
